Sir,

Sub:- Buildings - Office of the District Medical Officer, South  
Kanara - Location in the Assistant Surgeons Quarters.

Ref:- 1. My letter No.96499-W/51 dated 10-5-1952.  
2. G.O.Ms.No.2819 Health dated 4-9-1952. / (C) 11/13-14

In their order cited, the Government have sanctioned the location of the Office of the District Medical Officer in his bungalow from 6-11-1951 to 15-5-1952 and to the payment of rent during the period. In my letter first cited, I have reported that permission has been accorded by me to move the office from the District Medical Officer's bungalow to one of the Assistant Surgeon's quarters from 16-5-1952 which was vacant. No orders have been received from the Government ~~xxx~~ in this matter. The District Medical Officer reports that the Assistant Surgeons Quarters can be utilised till the construction of the new building is over and as such he has not taken the flat opposite the hospital compound on lease.

2. I request that orders may kindly be issued for the location of the District Medical Officer's Office in the Assistant Surgeon's Quarters till the new buildings are completed and also to ratify my action in having permitted the District Medical Officer to use the Assistant Surgeons Quarters as Office in anticipation of sanction of Government.

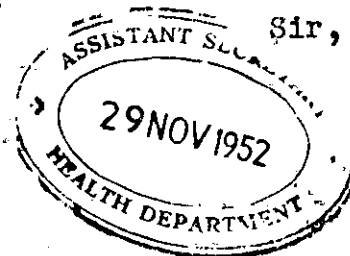

Yours faithfully,

The proposal of the Director of Medical Services in paragraph (2) of his letter No. 117800 W/52-1, dated 27-11-1952, is advantageous to Government. Please see the letters from the D.M.S. and the C.E., P.W.D. (Gl. & Bldg) on pp. 1 and 17 ante respectively. In the circumstances stated, this Deptt. may approve the D.M.S.'s proposal for housing the Office of the D.M.O., South Kanara, in the Asst. Surgeon's Quarters till the new buildings are constructed for the office and ~~also for ratifying the action of the D.M.S. in having permitted the D.M.O. to use the Asst. Surgeon's Qrs. as office in anticipation of sanction of Govt. subject to the condition mentioned at 'A' on p. 17 ante. With these remarks the case may be forwarded to P.W.D. for issue of~~ <sup>vide</sup> orders, with reference to their remarks at 'X' on p. 2 ante.

2. The D.M.S. has proposed that the ~~Director~~<sup>District</sup> of Medical Officer's Office in S.Kanara may be located in the Asst. 3. The Chief Engineer has recommended that the above proposal of the D.M.S. may be agreed to if the Asst. Even in November 1952, the D.M.S. stated that he had permitted the D.M.O. to use the Asst. Surgeon's quarters as D.M.O.'s office in anticipation of sanction of Govt. Now after about 8 months, it will be unnecessary to consult the D.M.S. again on the condition suggested by the C.E. at 'A' on p.17 c.f., and postpone, further the issue of orders in the matter. It may also be unnecessary to specify 'A' in C.E.'s letter at p.17 c.f. as a condition in the orders to be issued.

The location of the D.M.O.'s office in the Asst. Surgeon's quarters may be approved and the action of the D.M.S. in having made this arrangement already in anticipation of Govt. sanction ratified. If and when the Asst. Surgeon claims payment of the difference in rent now paid by him for the private quarters, and the rent which is payable by him for the Govt. quarters,

the question may then be examined.
